9:00 A.M. REGISTRATION OPENS				CON OFFICE OPENS		9:00 a.m. Star Trek Animated Episodes YESTERYEAR (Mark Lenard as the voice of Sarek)
10:00 A.M.	WARPED FACTORS: THE POLITICS OF CREATING NEW STAR TREK ADVENTURES -- Gar and Judith Reeves-Stevens -- During the process of having six Trek novels rejected, two accepted, and a Next Generation script disappear into deep "wait-and-see" space, Judy and Gar have observed the ins-and-outs of creating Trek adventures first hand & will share their experiences with the audience. Don't confuse this with a gripe session because once the financial realities of the Star Trek universe are understood, Paramount emerges as a company that is carefully and – believe it or not – consistently handling its responsibilities for the future development of Trek. These conclusions will be open to discussion!
